7. Inclusion in all lobbying efforts
8. Built in networks and relationships with others in the industry
9. Information about vendor discounts as they become available
10. Access to the “Members Only” section of website

## **In addition to supporting our concerns throughout the agricultural industry and government agencies, your membership dollars help support:**

- The USCHI.com website, which serves as an up-to-date information source for our industry. The website also provides a way for harvest crew leaders and possible future employees to connect.
- Our continued support of Harvest USA and Red River Farm Network radio broadcasting.
- A scholarship fund that assists our future leaders with the education they desire.
- The USCHI Hall of Fame, which recognizes top harvesters for their lifetime achievements.

## Mission Statement

The Mission of the US Custom Harvesters, Inc. is to advance the cause of the members of the Corporation by representing and promoting the harvesting industry; to positively influence government and regulatory agencies; to enhance the relationship between custom harvesters, their clients, and service providers to the industry, and the general public; to manage the changing landscape within the industry while enhancing the profitability of custom harvesters and their customers.
